Application No. 09/067,795	: ON PETITION
Filed: April 28, 1998	:
For: FLUX-GUIDED MAGNETORESISTIVE	:
HEAD USING A PERPENDICULAR	:
RECORDING MEDIA	:

This is a decision on the petition filed February 2, 2006, under 37 CFR 1.137(b) to revive the above-identified abandoned application.

The petition is **granted**, and this application is restored to pending status.

The undersigned has contacted the examiner in charge of the above-captioned application and the examiner has indicated that the amendment to the claims filed with the petition will be entered as *prima facie* placing this application in condition for allowance.

This allowed application is being referenced to the Technology Center to treat the amendment filed with the petition.

Telephone inquiries related to this communication should be directed to the undersigned at (571) 272-3217.
